

## Kendal Netmaker's AV Requirements:

- Kendal requires a wireless lavalier microphone.
- Kendal prefers a countdown timer/confidence monitor.
- Kendal would like a map of the stage and venue prior to engagement.
- Kendal uses very few slides during his keynotes and will send them prior to speaking (there are no videos played during the keynote).
- Kendal prefers room temperature bottled water on the podium.
- Kendal prefers to schedule the AV check less than 60 minutes prior to speaking or during the nearest break.

## Optional Add-ons:

- Kendal offers his clients a discounted rate for bulk orders of his *best-selling book: Driven To Succeed*. He will offer an autograph session following his keynote at no extra cost.
- Kendal offers his clients a discounted rate for *Online Courses/Masterclasses*.
- Kendal offers his clients a discounted rate for any additional *Workshops* during the same day of the event.
- Kendal offer his clients a discounted rate for a follow-up *Virtual Learning Series* (pre-scheduled following the keynote).
