SPEAKING TOPICS

3. THE FUTURE OF WORK THROUGH INDIGENOUS VALUES

The future of work will be positively influenced by Indigenous participation in the workforce. As the fastest growing population in Canada, there is opportunity for this new cohort of employees with diverse experiences to join your teams and contribute to the impact of your organization.

In this powerful keynote, Kendal takes you into Indigenous Peoples' worldview and how it can complement your organization. Indigenous Peoples face a significantly low employment rate compared to non-Indigenous peoples – Kendal shares real-life stories on the obstacles Indigenous Peoples face while trying to secure and maintain long-term employment. He shares solutions many industries can utilize to successfully engage and maintain long-term employment with Indigenous team members. Together, we can make Reconciliation a priority in our country.

Attendees will gain:

- Deep insights into engaging the Indigenous workforce
- Understand how technology impacts Indigenous groups
- Learn best practices in Indigenous hiring and engagement
- Educating about the importance of Indigenous spirituality and beliefs

4. INDIGENOUS DIVERSITY, AWARENESS & EDUCATION

Indigenous peoples are the Fastest Growing Demographic in Canada, and there are over 370 Million Indigenous people worldwide in over 90 countries. We must continue to raise awareness and educate to work together for a prosperous future.

In this powerful keynote, Kendal takes you into Indigenous Peoples' worldview and shares his heartfelt stories of living and thriving in two different worlds. He explains the importance of understanding everyone's stories, beliefs, and way of life. Kendal's offering is to plant seeds of hope so that we all are Working, Succeeding, and Prospering Together.

Attendees will gain:

- Deep insights into Indigenous Peoples way of life
- Educating about the importance of Indigenous spirituality and beliefs
- Understand the similarities/differences between different Indigenous groups in Canada
- Creating awareness on how to be respectful towards one another and work together

Kendal is proud to Speak for and Consult with some of the World's Leading Brands & Organizations

5. THE POWER OF INDIGENOUS STORYTELLING

In a world full of noise and short attention spans, the art and skill of memorable & impactful storytelling has never been more important. Indigenous Peoples' key to retaining their culture and traditions has been built upon oral stories for thousands of years. With no textbooks, they have been able to retain valuable teachings that have been passed down from generation to generation.

In this powerful keynote, Kendal takes you into Indigenous Peoples' storytelling communication and how to build a deeper connection with your customers and team members. He explains the importance of how storytelling is key to building long-term relationships for continued business growth.

Attendees will gain:

- How ONE story can improve your communication for deeper connection
- Learn the 3 ways to tell a story that creates an emotional connection with your customers
- Why stories develop long-term valuable relationships for business growth
- Hear from Kendal's insights on how focusing on "Story-Selling" transformed his company

6. AN INDIGENOUS PERSPECTIVE ON MENTAL HEALTH & WELLNESS

The future requires us to adapt and move at a faster pace than what our ancestors experienced. It takes energy and perseverance to overcome a fast changing world with numerous obstacles. Through the power of storytelling, Kendal shares what it takes to take care of our mental health to succeed in all areas of life.

In this inspiring keynote, Kendal takes us on his profoundly moving personal journey that includes ancient wisdom passed down from Indigenous elders/knowledge keepers. Kendal shares his perspective on how these teachings will allow you to keep moving forward in an ever changing world.

Attendees will gain:

- Deep insights to improve your mental health & wellness
- Tools to reduce stress at home and work
- Understanding the importance of listening to your body
- Hear how Kendal stays grounded through chaos
